DREAMY DECOR

SUNSHINE WEDDINGS BY CHARLOTTE

Welcome to the enchanting world of delightful decorations! Your venue is secured, the special day is circled on the calendar, and now, it's your time to shine.

Get ready to be amazed as the possibilities are literally endless. Our fantastic team of suppliers on the east coast are ready to make your floral fantasies, aisle magic, table centerpieces, chic chairs, and more a reality! Let the decorating journey begin!

Whether you want white and elegant, or are looking for big and bold or anything in between we have you covered.

Our decor options are pieced together in easy to view wedding packages which means that you don't need to worry about how many candles you need, or how many meters of aisle runner you require for your venue, let's leave that to the experts whilst you pick out your dream designs from this pretty brochure!

SECTION 1

ARTIFICIAL FLOWERS & VENUE DECOR

Proudly working alongside beautiful decor designer Nicole from Emperatriz.

Nicole, alongside her husband is constantly eyeing up new trends and decor designs and delivers this across the island of Cyprus.

Having worked alongside Emperatriz for many years, their work never fails to impress, and venues are transformed into floral masterpieces at the touch of their hands. Very excited to have unique packages created especially for Sunshine Weddings!

All packages include everything that you will need based on your estimated guest numbers, and there are some fancy additions should budget allow.

FRESH FLOWERS

Introducing the talented work of my fresh flower florist Antonis Kosma from Maple Blue Flower Boutique situated in Paralimni on the East Coast.

Antonis has expertly weaved petals, designed arches, placed countless candles and big blooms for myself at many stunning weddings, and there is absolutely nobody else I would wish to work alongside when it comes to fresh flowers.

Antonis and myself have worked very closely to create the following packages for you to explore based on past, future and timeless trends.

All packages include everything that you will need based on your estimated guest numbers, and there are some fancy additions should budget allow.

PAPER FLOWERS

I am very thrilled to be once again working back alongside the incredible decor designer Eleni Dionisia from Paper Flowers Cyprus.

Eleni is one of the leaders in decor design not only in Cyprus but in Greece also and has the best creative eye and can take a vision and turn this into a reality.

Eleni knows how to transform a venue into a work of art and has been a staple across the entire island for many different events.

Her heart however lies with destination weddings. As Eleni creates bespoke arrangements in accordance to the venues capabilities there is magic available at the very tips of her fingers.
